LINING OUT STOCK

August 1, 1953

We list herein a general variety of lining out stock and transplants which we are now propagating and will have for delivery in the spring of 1954. This stock will be well rooted and carefully packed. Please write us concerning anything you need, not on list. We may be able to supply it. We will also contract to grow what you need for future delivery.

PLEASE NOTE

There is an extra charge of 5¢ per plant for potting.

We can supply one year transplants at 3¢ extra per plant, in the varieties and sizes indicated by asterisk (*).

All orders are accepted subject to cancellation in case of crop failure and other conditions beyond our control.

We reserve the right to substitute sizes where the difference is not too great.

TERMS: Customers not having an established account with us, please send one-fourth cash with order. We allow 5% discount, when cash in full accompanies order.

CLAIMS OR COMPLAINTS: We appreciate having reports on shipments as soon as they are received. If the stock is unsatisfactory kindly advise us at once and we will make any necessary adjustment. Unless otherwise specified, our sales are made F.O.B. Portland, and although we use all possible precaution in making shipments, our responsibility ceases upon delivery in good order to the carrier company.

PLEASE: Address all correspondence to:
